1 Programme Information

The MA in Jewish education will provide you with a comprehensive understanding of the fundamentals of educational theory and practice, with particular focus on the specific challenges and questions that arise in the context of a Jewish environment. The course is split over two or three years (as per your choice) to allow you to develop knowledge and skills at an appropriate pace. This is a great opportunity to study, work and network with international students and educators.

3 How to apply

To apply fill out the application form by clicking bit.ly/ned-apply-ma and we will be in contact with you on completion.

4 Funding and Finance

Please see pathways to fund your education future below:

1. Self Funding

Payment or part-payment to be effected by yourself. The Academy requires some self-payment for all programmes run.

2. Interest Free loans

South Africa has two Jewish interest-free loan providers - the Rambam Trust and JFLA (Jewish Free Loans Association). Both organisations have earmarked funds for Higher Education but are limited in nature.

3. Employer support

Your employer may be sponsoring some portion of your study fees.

4. LSJS Bursary

LSJS is able to offer a number of bursaries for students enrolling on their programmes.

5. Future Fund

If you wish to apply to the Future Fund, please fill in the additional Future Fund Application Form. Please note this is a bursary fund and disbursement is not guaranteed. Contact accounts@theacademy.org.za for application form.

5 How do we support you?

We offer support to help you achieve your goals through our SAJEP programme. Sign up now: bit.ly/sajep-signup
